We do not want cost to prohibit children from participating. No family will be asked to contribute more than \$300 total for the full program year, regardless of the number of children they wish to enroll. Please choose a payment option that works for you: cash, check payable to the Ethical Society of St. Louis, cash/check installments throughout the program year, or automatic debit in installments at intervals that you determine.

Co-op

Families are not required to be members of the Ethical Society to enroll in S.E.E.K.. S.E.E.K. operates as a cooperative, and parental involvement is required for the benefit of our children, our community, and ourselves.

At least one parent/guardian of each child enrolled in our K - 6 grade classes chooses at least four Sundays between September and May to help lead a S.E.E.K. class from 11am to 12pm alongside a paid teacher. Sign up for the four Sundays that work best for you immediately, and if you find that you need to switch dates, just let Rachel Valenti, SEEK Director or Mary Harden, SEEK Administrator know ASAP.

Parents also help lead a few fun workshops for elementary aged kids from 10am to 11am at some point in the program year. Our S.E.E.K. Director and Administrator will have suggestions about workshops that have been a hit with kids here in past years. And we are always open to new activities!

If you are interested in sponsoring a student whose family is unable to cover the cost of enrollment, we welcome your support in keeping the Ethical Education program accessible to all.

Inclusion

It's very important to us that our programs and activities are welcoming, inclusive, and beneficial to every participant. Does your child have unique needs that we should take into consideration? Please tell us about them.

Would you like to meet with us to ensure that your child's unique needs and interests are addressed appropriately? YES NO

Medical Release

In case of time-sensitive medical emergency at the Ethical Society and neither parent nor legal guardian can be reached, the Ethical Society staff is authorized to have my child/children transported to the nearest emergency room. I further authorize the medical staff to administer treatment considered necessary for the well being of my child. Financial responsibility for ambulance and/or hospital treatment is to be assumed by parent or legal guardian.
